Celebrating Greatness #6alin9DLSAU

De La Salle Araneta University Celebrating its 69th Foundation Anniversary

The University will be celebrating its 69th Foundation Anniversary from 25 to 31 January 2015. This year's celebration, guided with the theme #6alin9DLSAU: Celebrating Greatness, aims to (1) share the expertise and talents of the community through research, culture, arts, and sports; (2) recognize the continuous service of different members of the community; (3) promote the school's academic and sports Programs; and (4) encourage camaraderie among Lasallian partners.

Kicking off the week-long festivities will be a Family Day on January 25, 8:00 AM to 4:00 PM, at the University Gym. This will be participated by families of students from BED and TED as well as families of personnel and will end with the Alumni Homecoming on January 31, 6:00 PM, at the University Gym, wherein the awarding of the Most Outstanding Alumni in various sectors will be held.

Infused with events showcasing the talents of community members, this upcoming University Week will also serve as a time for the community members to collaborate in various activities, celebrate the greatness that each one has, and to continue on being partners in bringing about quality Lasallian education to students of this beloved University.

Also, high school students from neighboring schools are invited to partake of the Academic Fair to get to know more of the course offerings of the University and to have a feel of the vibrant community that DLSAU has to offer.
