

# Communiqué

Series 8 of 2019

I would like to inform the entire De La Salle Araneta University community of the appointment of Ms. Glenah May Rose Tolentino as our new Student Financial Assistance and Scholarships Head, effective October 14. She will be serving in the said capacity until May 15, 2020.

Reporting directly under the Vice Chancellor of Students and Mission, the STUFAS Head, in coordination with the Business and Finance Office, is tasked to develop, recommend, implement, and monitor the university's guidelines and programs related to student assistantship and scholarships.

Let us continue to extend our usual support and assistance to Ms. Tolentino in her new appointment in the university.
