Series 9 of 2020

In line with the adjustment of our academic calendar for SY 2019-2020, I have decided to extend all administrative appointments until June 27, 2020. This extension shall allow our current roster of administrators to focus their energies on the completion of their projects that have been put on hold due to the COVID-19 pandemic.

To this end, I ask the entire De La Salle Araneta University community to continue to extend their support and assistance to our administrators as they remain in their respective roles and perform the duties and responsibilities that have been assigned to them. I also hope that even as we are all faced with challenges and uncertainty brought on by this unprecedented global health crisis, that we will still find time to pray for our administrators so that they always make fair, just, and sound decisions for our university and all of its stakeholders.
