

Communiqué

Series 9 of 2018

I would like to inform the entire De La Salle Araneta University community of the appointment of Dr. Michelle Abelardo-Esteban as our new Director for Libraries, effective October 1. She will be reporting directly under the Vice Chancellor of Academics and Research.

In light of Dr. Esteban's appointment, I would also like to inform the community of the appointment of Mr. Michael Rivera as the new Coordinator for Library Audio Visual and Electronic Resource Services, effective October 17. His services rendered as Head of the Learning Resource Center for the past 7 years are greatly appreciated.

Let us continue to extend our usual support and assistance to Dr. Esteban and Mr. Rivera in their new appointments in the university.
