## ICpEP Regional CpE Student Challenge 2018

October 27, 2018

Our Tertiary Education Department Robotics Team won first place in the Line Follower Competition of the Institute of Computer Engineers of the Philippines, Inc. (ICpEP) Regional CpE Student Challenge 2018 that was held last October 27 at the Asia Pacific College in Makati City. Fourteen schools participated in the said category.

The competition, organized by the ICpEP–National Capital Region (NCR) and Hytec Power Inc, is an annual competition for NCR schools and universities who have BS Computer Engineering programs.

Our team, together with the robotics team from the Pamantasan ng Lungsod ng Maynila, will be representing NCR in the ICpEP National Challenge on November 27 at the University of Cordilleras in Baguio City.

## College Honors' Assembly, T1, SY 2018-2019

November 13, 2018

A total of 175 dean's listers from the Tertiary Education Department will be recognized in the College Honors' Assembly on November 13 (Tuesday), 3:30 PM, at the Institutional Activity Center. The students will be awarded for their exemplary academic performance in the May to August Term, SY 2018-2019.

## Issuance of Basic Education Department Report Cards

November 16, 2018

Students and parents of the Basic Education Department are reminded to settle their accountabilities and accomplish their clearances before they can claim their class cards on November 16 (Friday).

Failure to settle accountabilities will result to the withholding of academic credentials and deferment of enrollment for the next school year.

Please be guided accordingly.

## Health Advisory

---

November 2018

There were already reported cases of Varicella (Chicken Pox) among our Senior High Students, the Medical/Dental Unit are sharing the DOH advisory on the transmission and Precautionary Measures of Venricella (pls. see attached).

If our students or Lasallian Partners present with signs and symptoms stated in the Advisory, the concerned person shall be isolated and excluded from attending the class or work. He/She is also advised to secure medical clearance from the attending Physician and present such to the University Physician before reporting back to class or work.

### Cause

“ varicella” virus

### Mode of transmission

- person to person by direct contact, droplet or air borne spread of fluid or secretions form persons with chickenpox
- contagious 5 days before and 5 days after the appearance of blisters

### Immediate treatment

- chickenpox rashes will disappear in 1-2 weeks time even without treatment

### Signs and sysmptoms

- appearance of reddish skin lesions which later become blisters on the 3<sup>rd</sup>-4<sup>th</sup> day of fever
- weakness
- muscle and joint pains
- sudden onset of fever

### Prevention and control

- avoid crowded areas during epidemics
- isolate known cases
- vaccine is available as precautionary measure and as per doctor’s advise

Those who had the diseases before are already immune and will not have the disease again.
