## DLSAU Veterinary Teaching Hospital Activities for January and February 2019

All Mondays of January 2019 and February 2019

The De La Salle Araneta University Veterinary Teaching Hospital will be holding a free anti-rabies vaccination activity this month and a free heartworm microscope screening campaign in February. Both campaigns will be held on the Mondays of the said months.

The anti-rabies vaccination activity and heartworm microscope screening campaign will be free for the first 50 clients. Free nail clipping, fecalysis, and discounted prices on some services will also be made available.

## STRATCOMM Service Request Form

Starting Term 3, SY 2018-2019

In order to facilitate all communications and marketing-related requests (i.e. design, content, social media, website), the Strategic Communications Office(StratComm) is now adopting a Service Request Form. The form must be downloaded, filled out, and submitted in person to the StratComm office in person at least three days before the request needs to be completed.

The form can be downloaded at [www.dlsau.edu.ph/downloads/online-forms/StratComm-Online-Form.pdf](http://www.dlsau.edu.ph/downloads/online-forms/StratComm-Online-Form.pdf).

Please be guided accordingly
