Our robotics teams brought home five awards in the RoboRave Philippines 2019 that was held last October 25-27 at Camp Benjamin in Alfonso, Cavite. Our teams placed first in the Ubitech Smart Factory Challenge, A-maze-ing Challenge MS Category, and Sumobot 3KG BK Category. They also placed second in the Sumobot 1KG ES Category and Boxbot 3KG Category.

Online Faculty Performance Evaluation, Term 2, SY 2019-2020

October 29, 2019 to November 15, 2019

All Senior High School (SHS), Tertiary Education Department (TED), and Graduate Studies students are reminded to evaluate their professors until November 15 (Friday). The online faculty performance evaluation facility—which provides the university with an objective assessment of its faculty's planning and preparation, classroom management, instruction and professional responsibilities—can be accessed by logging in to www.dlsau.edu.ph/ebalwasyon-shs/ (for SHS students) and www.dlsau.edu.ph/ebalwasyon/ (for TED, Graduate Studies, and NCP students).

Students may access the facility using their official DLSAU email account at any time, from any desktop or mobile device, as long as it is connected to the internet. Please note that failure to evaluate your professors will result to you being blocked from viewing your grades.

In order to access the facility, new SHS, TED, Graduate Studies, and NCP students are advised to request for their official DLSAU email account from the Information Technology Center by emailing itc.helpdesk@dlsau.edu.ph.

Please be guided accordingly.

6th International Conference on Agro-Industry

November 5, 2019 to November 7, 2019

The university, in partnership with Gadjah Mada University and De La Salle University, will be holding the 6th International Conference on Agro-Industry (ICoA) on November 5 (Tuesday) to November 7 (Thursday) at the Henry Sy Sr. Hall of DLSU.

The conference, with the theme *Sustainable Agro-Industry: A Key Driver to Achieving the SDGs*, is expected to be a venue for the dissemination of recent agro-industry research that will help in driving achievement across the Sustainable Development Goals. It also aims to provide a setting where the public and private sectors can engage to further shape academic and professional work towards achieving future-proof businesses and social enterprise development solutions.

Please be guided accordingly.
