

## Brother Superior General's Visit to LEAD

Today, on the Feast of St. Andrew the Apostle, Brother Superior must be on a airplane flying over the skies of Europe or Central Asia, as he makes his way to the second of his three official visits to our District.

This time, Brother Superior will be visiting three countries in LEAD, namely:

<b>Myanmar</b>	<b>01 - 05 December</b>
<b>Thailand</b>	<b>05 - 10 December</b>
<b>Hong Kong</b>	<b>10 - 13 December</b>

(I will be sending out, attached to this issue of LEAD Story, a more detailed program.)

While he is in Hong Kong he will get a chance to meet the young Brothers of LEAD during the 1st LEAD Young Brothers Assembly.

I would like to thank the Auxiliary Visitors and Country Coordinators who were instrumental in arranging the schedule of this visit. (Myanmar: Br. JJ and Br. Noel; Thailand: Br. Joe and Br. Francisco; Hong Kong: Br. Joe and Br. Steve)

Let us include in our prayer intentions the success of his visit.

Fraternally,

Edmundo Fernandez FSC
