Faculty and Students ready for SY 2014-2015

TED Faculty after the Forum on CPA

Summer 2014 was a busy time for the academic community as the faculty, students, and staff took the time to plan and prepare for School Year 2014-2015. Alongside the faculty development programs, administrators from the Tertiary Education Department attended the "Lasallian Leadership Workshop" held at the University's Molave Hall on May 16.

It was facilitated by Mr. Martin Gaerlan, an HR Specialist who has had an extensive experience in training and handling people in the workplace. Full-time college faculty members also had the "Forum on Curriculum, Pedagogy and Assessment (CPA)" held at The Forum on May 19. Br. Narciso Erguiza, Jr. FSC, President,

facilitated the forum. On May 20, faculty members from the Basic and Tertiary Education Departments attended the "Training on Quantitative Research". Ms. Jenina Nalipay of the De La Salle University Psychology Department conducted the training.

See Page 2

'The Forum' Inaugurated

The blessing of the newly-renovated The Forum happened on 15 May 2014, coinciding with the celebration of the Feast Day of St. John Baptist De La Salle. Formerly a stock room located at the Golden Pavilion, The Forum

has been converted into a presentation hall which can accommodate up to around 100 guests. Perfect for research presentations, it is a valuable addition to the University's venues for formal affairs.

The President's Message

Greetings of Peace! Welcome to the new School Year!

Dear students, our commitment to greatness is a commitment we affirm everyday. Your teachers and your other adult companions in the University are here to guide you in your learning. We hope that you will someday be Lasallians who are not only academically excellent but also with passion for service.

To our faculty members and other University personnel, I am confident that as students enter this university we will be able to guide them to be great Lasallian successes. We need to be excellent in our respective fields of study and discipline because our country needs excellent professionals to contribute to the betterment of our society. And this could only be done if we can properly and effectively share not only knowledge with our students but also our desire to serve our country.

Let us all be guided by the articulation of the Mission and Vision of our University. These statements stand for everything that we believe in and may they serve as inspiration and reminder of the tasks ahead of us.

Live Jesus in our hearts, forever!

DLSAU Graduate, Faculty enter Postulancy

Mr. Patrick Dalmacio and Mr. Maurice Gravidez were accepted to the Postulancy of De La Salle Brothers Philippines in a ceremony held at La Salle Green Hills in Mandaluyong City on June 14.

Mr. Gravidez, employed for three years in the University as a Science Teacher, is a graduate of BS Biology for Teachers at the Philippine Normal University. He has been an aspirant for a year and now continues the way to

being a De La Salle Brother by being accepted to the Postulancy. He shared that the opportunity to love more and to deepen his faith in God are his reasons why he decided to join the De La Salle Brothers.

On the other hand, Mr. Patrick Dalmacio, BS Computer Engineering 2013 graduate, was also accepted to Postulancy. After graduation, he worked for Accenture before being accepted to Postulancy.

The students, on the other hand, had the College Student Leaders' Year End Evaluation, Planning and Teambuilding on June 2-3 at the Galilee Mansion in Bustos, Bulacan. Starting off with a session with the Br. President at The Forum, the various student organizations reported via video presentations the

activities they have organized and hosted in the previous school year. The evaluation was facilitated by Ms. Jennifer Dungo, Student Services Head. A total of 47 student leaders attended the event and were led by Ms. Marie Allison Parpan, Vice Chancellor for Students and Mission, in a session about the new Vision-

Mission Statement of the University, to which they are also to align their plans for the new school year. Atty. Hilario Caraan, the University's consultant on Legal Matters pertaining to students, facilitated the session on the importance of constitution and by-laws. Teambuilding activities added fun to the learning event for the student leaders.

New Administrators

The following are the University Administrators for School Year 2014-2015.

Central Administration

President
Chancellor, Vice Chancellor for Administration
Vice Chancellor for Students and Mission

Br. Narciso Erguiza, Jr. FSC
