In the late 1950's THE FURROWS was the name of the official student publication of the Araneta Institute of Agriculture (AIA). This institution was first known as AIA when it started as an agricultural school in 1946.

The concept of THE FURROWS was adopted once more in 2002 when Gregorio Araneta University Foundation (GAUF) became a full-fledged member of the Lasallian Family; and henceforth, 'twas called the DE LA SALLE-ARANETA UNIVERSITY. Since the turnover up to school year 2005-2006, it became the official institutional newsletter.

Today, De La Salle Araneta University, now enriched with the heritage of Lasallian schools and a partnership with a 334-year old educational tradition that has its roots in Rheims, France, has recreated and revived THE FURROWS, as it informs its collaborators and stakeholders through its regular publication and dissemination.

A testimonial program for the March 2016 Licensure Examination for Teachers (LET) and May 2016 Certified Public Accountants (CPA) Examination board passers was held last May 2 at The Forum. A thanksgiving mass at the University Chapel preceded the program proper.

Mr. Cipriano, who spoke on behalf of the board passers, expressed his immense gratitude to the university—particularly to the university administrators in his department and to his classmates. He also reminded the student attendees to always be fair and to exert their best efforts in order to fulfill their dreams.

During the program, Br. Jun Erguiza, Jr. FSC gave an inspirational message to the new Lasallian teachers and accountants, urging them to be professional and to always do what is right in all of their undertakings.

The testimonial program is especially noteworthy this year, due in large part to the 100 percent passing rate of the BS Accountancy Batch of 2015-2016 and the placing in the Top 10 of Mr. Patrick Cipriano.

SOFT INAUGURATION OF THE TRACK AND FIELD OVAL

A short program for the Soft Inauguration of the Track and Field Oval (TAFO) was held last June 8 at the TAFO.

The university's Board of Trustees (BOT) members attended the program, prior to their attendance to the First Quarter Board of Trustees Meeting.

The completion of the TAFO is eyed at the end of the month.

The President's Message

Dear Lasallian Achievers,

Welcome to the May – August Term of SY 2016-2017!

This year promises to be another remarkable year for De La Salle Araneta. As we move forward after the successful implementation of our shift to the trimestral academic year, we continue to strive to streamline and better our processes as we pole vault toward our collective vision of becoming a GREAT university.

Foremost, I would like to congratulate our students, faculty members, and partners for making our 70th year a tremendous testament that at 70, we are stronger and better than ever. I am convinced, without a doubt, that your dedication to upholding our university's ideals of what a Lasallian is will push us forward to many more great and successful years.

This year is a year of gratitude and appreciation. Last March 7, we held the first Night of HOPE—an event to honor and recognize generous men, women, and institutions who have shared their resources to the university in support of our mission of providing quality Lasallian education to everyone, especially to deserving but underprivileged youth. We are hopeful that in the coming months and years, more kind-hearted individuals and institutions will generously share in our commitment to provide educational access to the people who need it most.

As we begin this term on a high note, I ask everyone to never lose sight of the tasks that lie ahead of us.

To administrators, I ask that you continue to share in my vision of making DLSAU a great university: a university that puts the welfare of the student at its core. To educators, I ask that you continue to provide a conducive learning atmosphere for your students and to guide them in their social and academic pursuits. To students, I ask you to continue to live by what a Lasallian is: God-fearing, selfless, socially-responsible, morally-upright, and competent. Together, I ask that you push resolutely forward, with me, for a better, stronger De La Salle Araneta University.

Our mission and vision stand for everything that we believe in and remind us of the tasks we have in the road ahead. I pray that the experiences that we will have this term will help us come closer to our goal of building a great and illustrious university as we celebrate our 70th anniversary.

Live Jesus in our hearts, forever!

BRIGADA ESKWELA 2016

Photo by: Mr. Andyo Abusmas

Every year, students, teachers, parents, local government officials, non-government organizations, and members of the community and private sector come together in a week-long school clean-up, beautification, and maintenance program before the start of classes known as Brigada Eskwela.

This year, Social Action Coordinator Mr. Andyo Abusmas—together with the BED Student Coordinating Board, BED Chorale, and the Lasallian

Mission Formation Office Animo Youth Choir—participated in Brigada Eskwela 2016.

Held last May 31 and June 4, volunteers flocked to Bagong Lote Elementary School (BLES) to help in the clean-up and beautification of three of their classrooms.

In addition to the volunteers' efforts, Theology classes from last term donated 40 hygiene and school supplies kits to BLES students.
