THE PRESIDENT'S MESSAGE

Greetings of Peace!

Dear Lasallian achievers,

This year promises to be a remarkable year for De La Salle Araneta. We are at the forefront of exciting changes that will undoubtedly call on all of us to continue to serve with passion and affirm our commitment to greatness.

Before I share with you some of the things that we look forward to this term, allow me to congratulate our students, faculty members, and personnel for making our shift to a trimestral academic year a success. I am convinced that your dedication to upholding our University's ideals of a great Lasallian education is what made it a smooth transition.

In a few months, we will be spending the holidays with our families and friends during the much-anticipated Christmas break. When classes resume in January, we gear towards our preparation for our 70th Foundation Anniversary.

This year's celebration promises to be one of great festivity, camaraderie, and good cheer as we commemorate seven decades of Lasallian successes and achievements.

As we begin this term on a high note, our celebration of our successful transition to a trimestral academic year is tempered by our recognition that bigger tasks lie ahead of us. I ask that you push resolutely forward, with me, for a better, stronger De La Salle Araneta.

I pray that the experiences that we will have this term will help us inch closer to our goal of building a great and illustrious university as we celebrate our 70th anniversary.

Live Jesus in our hearts, forever!

Br. Narciso S. Erguiza, Jr. FSC
